**CONSENT MOTION FOR AN EXTENSION OF TIME
TO FILE BRIEFS TO THE ADMINISTRATIVE LAW JUDGE**

Pursuant to Section 102.42 of the Board's Rules and Regulations, Counsel for Respondent, with consent by Counsel for the General Counsel, hereby respectfully submits this Consent Motion for a four-day extension of time. In support hereof, Respondent states as follows:

The post-trial briefs are presently due on April 18, 2016. The parties request a brief extension until April 22, 2016. The request for additional time is being made to allow for proper consideration of the issues to be addressed, as the hearing lasted 10 days and raised numerous issues and allegations, and to accommodate competing demands on counsels' schedules, as well as in light of the vacation schedule of the officer within Respondent who must review the brief before it is submitted.

The undersigned called counsel for Charging Party Hoar to ascertain his view but he did not respond. I then followed up by email and have not received a response. However, we can report that in the past Mr. Scalise has had no opposition to requests for extension made by either party.

Dated at Norwalk, Connecticut this 13th day of April 2016.
